

REMARKS:

Claim 1 has been cancelled without prejudice and the amendments made herein do NOT constitute an admission that the subject matter of Claim 1 is not patentable nor that the position of the Examiner as set forth in the Official Action is accepted.

The indication by the Examiner of the allowability of Claims 2 to 12 and 14 to 24 is noted and Claims 2, 14 and 22 have been amended so that they now are independent claims including all of the features of Claim 1 and the features of the original dependent claim. Thus it is submitted that Claims 2, 14 and 22 together with all of the claims dependent thereon are allowable.

Respectfully submitted
